

NORTHWOLD and WHITTINGTON Covid19 SUPPORT

As the situation regarding the Coronavirus develops, you may have already self-isolated or you may have to do so in the near future. If this applies to you and you need practical help and support, you should in the first instance contact a family member.

If this is not possible, we have set up a support group of volunteers who can help with the following;

**URGENT SUPPLIES
PRESCRIPTION COLLECTION
POSTING MAIL
A PHONE CHAT**

HELP IS AVAILABLE BY CALLING 01366 728998

If you find you're able to help or volunteer to support others in some way and haven't joined our Northwold and Whittington Support group on FaceBook, then search for **Northwold and Whittington Village Community Support Network**

For general advice, if you have internet available to you, go to www.gov.uk/coronavirus
